

Professional Woman's Network

Celebrating and promoting women in waste and recycling

Professional Woman's Network

The Professional Woman's Network (PWN) fosters the professional development of women in the waste and recycling industry while striving to increase their business, financial and leadership skills through education, workshops, mentoring, and networking.

Networking and social opportunities

There are various outlets for members to interact with one another both professionally and personally. These opportunities are best taken advantage of by attending meetings and events. Below are a few of our networking and social opportunities during the year.
