The first general members industry meeting for 2017 will focus on the regulatory impact statement related to the revision of Waste ERA's and include presentations from EHP regards to the overhaul of regulated waste management and categories proposed for change 1st July 2017.

Representatives from the Department of Environment and Heritage Protection waste policy and legislation will present on these important changes.

The mornings meeting will include a question and answer session and take the form of an open workshop to identify and discuss the proposed changes. The association will facilitate this conversation with the government representatives.

Further information on the associations activities and events planned for 2017 will also be discussed.

Morning tea and refreshments will be provided.

The association acknowledges with thanks the Department of Environment and Heritage Protection contribution to enable this event to be held.
